

Blackman River Bridge, Tunbridge

Department of State Growth

Department of State Growth

Upcoming works for Blackman River Bridge Structure Replacement on Main Road in Tunbridge, between Midland Highway and Ballochmyle Road from Monday, 15 July 2024

The Department of State Growth will be replacing Blackman River Bridge on Main Road in Tunbridge from Monday, 15 July to Friday, 8 November 2024, weather permitting.

We appreciate your patience while these works are completed.

What does this mean for you?

The bridge will remain closed to all traffic (including pedestrians) and road users will need to use Lowes Street to access Midland Highway and Tunbridge during these bridge replacement works.

Please allow up to 15 minutes extra travel time, keep to speed limits and follow the directions of traffic controllers and signs.
